Letra completa (trechos adicionais) :

Me and all my friends
 We're all misunderstood
 They say we stand for nothing and
 There's no way we ever could

Now we see everything that's going wrong
 With the world and those who lead it
 We just feel like we don't have the means
 To rise above and beat it

So we keep waiting
 Waiting on the world to change
 We keep on waiting
 Waiting on the world to change

It's hard to beat the system
 When we're standing at a distance
 So we keep waiting
 Waiting on the world to change

Now if we had the power
 To bring our neighbors home from war
 They would have never missed a Christmas
 No more ribbons on their door
 And when you trust your television
 What you get is what you got
 Cause when they own the information, oh
 They can bend it all they want

That's why we're waiting
 Waiting on the world to change
 We keep on waiting
 Waiting on the world to change

It's not that we don't care,
 We just know that the fight ain't fair
 So we keep on waiting
 Waiting on the world to change

And we're still waiting
 Waiting on the world to change
 We keep on waiting waiting on the world to change
 One day our generation
 Is gonna rule the population
 So we keep on waiting
 Waiting on the world to change

We keep on waiting
 Waiting on the world to change
